Please, remember to spay and neuter your pets

Massachusetts Humane Society has sponsored **The S.T.O.P. Mobile Clinic**, Low Cost Spay / Neuter for CATS. From July 2005 to August 2006 we have had 15 low cost Spay / Neuter Days, and approximately 154 cats have been altered. Mass Humane Society will continue to promote Low Cost Spay / Neuter services to pet owners and to decrease the over-population of cats! Contact us for more information about Low Cost Spay / Neuter !!

Please SPAY & NEUTER !!

This means less homeless !

This means more lives saved !

THANK YOU FOR CARING!

In September 2006 MHS opened up an animal shelter. We did much renovating and fixing areas of the shelter. We made Cat Adoption room that can house several cats. MHS has a dog kennel that can house about 8 dogs, and we can house other animals as well. MHS needs volunteers for the caring of the animals as well as cleaning the areas for the animals. We will have many other volunteer opportunities at the MHS animal shelter.

The MHS animal shelter will enable us to rescue more animals in need of homes. We will be able to act upon the prevention of cruelty to animals and the humane treatment of animals. MHS hopes to decrease the animals that are being euthanized simply because they are homeless and abandon in Massachusetts as well as helping animals in other states.

To operate the MHS animal shelter and maintain the building can be costly. That is why your donations are SO VERY IMPORTANT; so that these animals IN NEED have a place to go and have a chance to find a home again!
